A/ **Text Comprehension**: Read the text carefully then answer the following questions

October 20th, 2017.

Dear Arthur,

How is everyone in Vegas City? Thanks for sending me that picture of you and Dexter in front of the Candy Shop. It was really funny! **You** both look a little different than I thought you would. Was Dexter really eating that giant chocolate bar? Chocolate here in Turkey doesn't come that big! My favorite dessert is sutlaç, which is Turkish rice pudding. You should try it sometime.

After school, my friends and I listen to music or play soccer or basketball. This week my friend Emre and I are practicing for a big chess tournament in our school. Emre is a better player than I am. **He**'ll probably win. Sometimes after school I help out at my dad's grocery store. In Turkish, we call it a bakkal. In the attachment you'll find a picture of me helping **him** out. My sister Asli is trying to help, too.

Next weekend, our dad is planning to take us to visit Istanbul. This will be my second time but it is Asli's first and she is very excited and keeps telling her friends about it. I was really happy when I visited **it** the last spring, it is a charming city.

I guess, that will be all for this time. Please write back soon.

Your friend,

Burak
